SHAR IS A BONERFIED STAR

Dear *Voluptuous*,

Shar's breasts are magnificent. They're easily the best, both in terms of size and aesthetically. She is also, by some margin, more beautiful than any of the other models contesting the three *Voluptuous* Awards, be it Model, Plumper or Newcomer of the Year. With her expressive, warm brown eyes, rich-red lips, flawless complexion and nicely styled, lustrous black hair, Shar has a decisive edge over the other models. From the top of her head, down to her painted toenails and all points in between, the gal is gorgeous.

Shar's pronounced curves, wide hips, nice ass and superb, long, shapely legs put her in a class of her own. Her figure is simply amazing. One top of all this, Shar has a

proper sense of what it takes to be glamorous. Her use of eye makeup, selection of lip-

stick color and choice of jewelry show impeccable taste.

I really appreciate these extra touches. It shows that the lady has class. She is my favorite.

I'm voting for Shar because she is the most beautiful, the shapeliest, most-glamorous, classiest, most-elegant and sexy model I've ever seen. Every red-blooded, heterosexual man will vote for Shar in these awards, I am sure. I am eagerly looking forward to Shar's next photo shoot. She should change her name to Aphrodite Nitzapanus, since she is the goddess of beauty, so it is utterly appropriate. -P.M., Leicester, England

STRAPLESS BRAS PLEASE!

Dear *Voluptuous*,

Could you please print more of your *Voluptuous* models in strapless bras? I enjoy how the models look in them. I like to see their big, shapely breasts overflowing out of their bras.

My favorite models are Monique, Sunshine, Samantha and Sapphire. I would also like to see more black models like Jenny, and Keama Kim. If you could, please have these ladies model

Shar's curves made her a heavyweight contender for Plumper of the Year.

A LETTER FROM YOUR VOLUPTUOUS EDITOR

Greetings fellow Boob Lovers!

If you are reading this, you are holding a copy of our annual Awards Issue in your hands and now know who took the top honors. I wanted to take a moment to say thank you to all of the loyal readers who voted and made this year's contest so exciting! To say that it was a tight race right up until the last minute would be an understatement. The winners were decided by a margin of just a few votes, it was that close! And this year more of you voted than ever before. My mailbox and inbox were flooded with ballots and it was incredible to read through all of your letters and reasons for picking the girls you did. Thank you for participating and for taking your favorite models all the way to the top. You made this contest a lot of fun for all of us on the V-mag staff. We hope that you enjoy the issue and as always, we look forward to hearing from all of you soon!—Maria Guerrero, *Voluptuous* Magazine editor

strapless bras in an upcoming issue.

I enjoy your issues every month and I also really liked *My Big Plump Wedding*. If you could lease print some photos of Samantha in a strapless bra that would be great. Keep up the good work!—J.D.F, Seattle, Washington

BUSTY LATINA HAYDEE RODRIGUEZ IS CALIENTE!

Dear *Voluptuous*,

I love full-figured Latina ladies. They are my favorite and they are not always featured in the magazine. That is why I was so happy to see Haydee Rodriguez in the Feb. '10 issue. She makes me fucking horny! I love her full, floppy tits and her fat Latina pussy. I also like that she has a nose ring and tongue ring. You know that she must love to suck cock with a piercing like that. Bring her back soon!—M.R., El Paso, Texas

Dear *Voluptuous*,

I really enjoyed all of the wonderful models in the Feb. '10 issue. I am glad to here that Haydee Rodriguez enjoyed her lesbian romp in *Sex In The Titties*. I would love to see more of her. Also, please hurry and bring back Shar as

IT DOESN'T GET BETTER THAN FARRAH VANCOCK

Dear Voluptuous,

Just when I thought that you guys couldn't WOW me anymore, you guys went above and beyond by featuring Farrah Vancock. Farrah is probably the most-amazing African American model that you have ever had in the pages of V-mag. Not only is she stacked, (Her tits are phenomenal!) but she is quite beautiful. Her mocha skin is flawless and she has a smile that could light up any room. It isn't everyday that you see a model like Farrah. I really think that she is going to be one of the great ones. Just when I thought that Janet Jade had my heart forever, Farrah swooped in and stole it. I love her. Bring her back for the poor saps like me who cannot do without her. There are none fairer than Farrah! -J.B., Erie, Pennsylvania

soon as possible. Thanks for the great mag.-J.B., Tiffin, Ohio

Dear Voluptuous,

Haydee Rodriguez is one of the hottest Spanish stunners you've had in Voluptuous. I ordered *Sex In The Titties* just to see her get fucked and eat pussy. (Renee Ross is not too shabby in that DVD, either.) I love watching Haydee suck dick. If only there were plump Latinas like her in my neck of the

woods. Give me more Haydee!-S.V., Omaha, Nebraska

Dear Voluptuous,

Good work for putting Haydee Rodriguez in the Plumper of the Year category. That woman deserves an award for being so ripe and big and juicy! I hope she wins and that you guys put her in more lezzie scenes like the one in *Sex In The Titties*.-G.A., Tulsa, Oklahoma

THREE'S CUMPANY: ASHLEY, SKARLETT & GEORGIE

Dear *Voluptuous*,

I'm a long-time reader of your magazine and I would like to say that I am in love with three of your models and I wish that they would show more of their plump asses and huge tits. The models in question are Ashley Sage, Georgie and Skarlett.

I would love to see more of Skarlett spreading her pussy and ass while wearing G-strings and lace bras. I would like to see Georgie in a small bikini that shows off her sexy ass, pussy and tits. As for Ashley, I love her. She is always in my wet dreams and I would like to see her in lots of sexy, kinky outfits. I would also like to see more of her pink pussy and engorged clit. Thank you!-J.K., Buffalo, New York

THESE BUSTY BABES ARE HORNY!

Here's a fun fact about the V-girls in the *Breast of Stacked & Packed*: These ladies are built to take a nice, hard pounding. Now, there is a good reason for that and it's that they love to be pounded long and hard. It's that simple and that hot. That's right, gentlemen; these ladies are fucking horny and need to be pleased. That's why they are stripping down and getting wet and wild on film for you. You get 30 scenes with V-mag greats like Cherry Brady (left) dressed up as a busty cowgirl ready to mount and ride a hard cock and hometown honies like Casey Cleavage (above) a sex kitten from Detroit who works her 38F jugs while double stuffing her cunt AND asshole until she cums. Hooray for that!

Denise Davies

A MUST-HAVE FOR BIG TIT LOVERS!

When you think about some of the greats whose ripe racks jiggle and sway in this collection, you should take a moment to let your cock salute curvy Denise Davies (*above*), a reader's wife who posed as a kinky gift to her hubby. Denise is a huge-boobed British babe and her full 36EE blossomed to an outrageous 36JJ when she was pregnant! Then there are other V-mag exclusives like Via Paxton (*far right*) and Daizie Kellog (*lower right*) who drove readers wild and then retired. You can't see them anywhere else and now they are all in the same collection, ready for you to watch and stroke to over and over again!

Ellison**

Congratulations, Ashley! You are 2009's hot Newcomer!

When we first saw Ashley in the April '09 issue, we proclaimed that we had, "Found V-mag's Newcomer of the Year early in 2009," and the ultimate V-girl to boot. We're not gloating, but we TOLD YOU SO. We are glad that readers recognized Ashley's greatness, too!

Hailing from Manchester, England, Ashley is used to colder weather but she had no problem turning up the heat for this photo shoot on the island of St. Martin. If pink wasn't your favorite color before, it should be because this stringy monokini looks sexy on Ashley's curves!

Ashley was neck-n-neck with another newcomer phenomenon, Renee Ross to take top honors in the Newcomer race, but readers knew she'd claim victory. "Ashley is a legend already. Her body is unbelievable! She's going to win," said reader H.F. from Alaska.

ASHLEY'S FIRST TIME DVD

The first DVD devoted solely to this gorgeous morsel of a bra-buster from England! In the tradition of many introductory *Voluptuous* and *SCORE* DVDs to an extraordinary girl, you'll get to enjoy Ashley Sage Ellison as she blows out her bikinis and tight titty-tops. You'll drool as she applies a coating of oil to slick up her sucklers. She bounces, jiggles and dangles her twin J-peaks all over the island of St. Martin in the sunny Caribbean. In between chapters, Ashley talks about her life and her phenomenal breasts with a *SCORE* staff member. G..L. writes "I want to congratulate you for the best discovery of the 2000's: Ashley Sage Ellison. In the past, you have discovered fabulous models like Karina Hart, London Andrews and Linsey Dawn McKenzie. But Ashley is simply perfection: lovely face, lots of charisma and curves with the best tits I've seen since Nadine Jansen's cleavage." Get your own official, high-quality copy today!

In her first DVD, *Ashley's First Time*, (Available on page 9.) she talks about life with big tits and the attention they get her. "Yes, I get noticed a lot when I go out, but I like it. I dress up in clothes that accentuate my curves so people stare. I don't mind. I know that my tits have a lot to do with it, even though I have a nice bum, too. I am grateful for all the attention. It makes me feel beautiful and glamorous and what girl doesn't like that?" We say get used to the accolades, Ashley. A Newcomer of the Year win cements you into superstar status. We are sure you're going to get much more attention these days!

Everyday musings by a big-tit connoisseur

By Dave Rosenbaum

Letters. I get letters. I get lots and lots of letters!

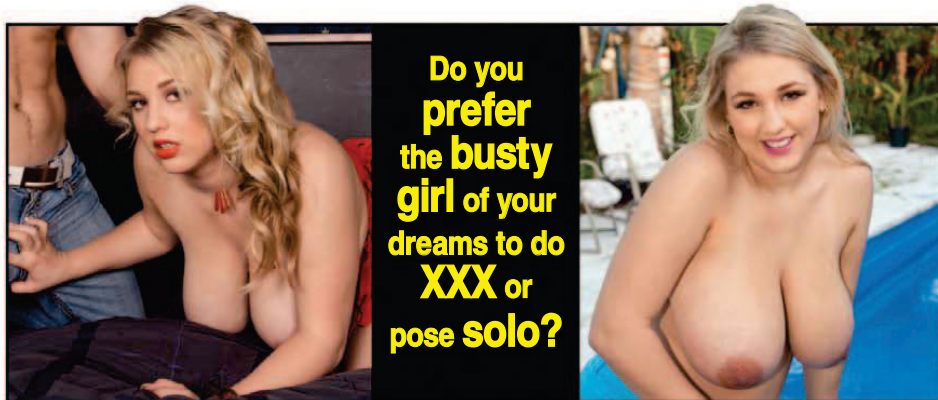

I'm not saying my mailbox is overflowing, but let me tell you something: I get letters. Unfortunately, I haven't received a letter from the one person I most want to receive one from: Malissa, the only super-busty babe on the TV reality show *More To Love*. Apparently, she has found better things to do with her time than get naked for V-Mag. Malissa, if you're out there, I still want to see your tits, and I'm willing to pay big money to see them. Well, not exactly. John Fox, our publisher, will be handing out the checks, but that doesn't detract from me wanting to see them, I promise.

Anyway, letters. R.N. from New Jersey writes, "I enjoy your comments every month in *Voluptuous*, and I want to join in. Your reply to reader S.W. in the February '10 issue really caught my attention. I love when the girls in SCORE Group DVDs dress super-slutty and talk really dirty, as long as they are looking at the camera and talking to the viewer rather than to some stud in the scene with them.

"I prefer solo scenes rather than boy-girl scenes because I like to fantasize that the girls are doing it all just for me and talking dirty just to me as well. And I prefer to see the beautiful girls masturbating with their fingers rather than with a dildo or vibrator because when a girl is using a sex toy, I can't see deep inside her pussy. Best of all is when the girl is diddling her clit while holding her cunt wide open so that I can see deep inside as she talks dirty and asks if I would like to taste her juicy pussy. I'm a guy who loves the taste of pussy, and my mouth waters every time I see a girl with a wet pussy spreading it wide for me. I think many viewers will agree with me. Another thing I love to see is a girl on her hands and knees with her big, natural V-Mag-class tits hanging down."

I don't disagree with anything R.N. says. Then again, I'm one of those guys who prefers when the models act slutty instead of classy or girl-next-door. That's because I have no fantasies of ever marrying a V-Girl. I do, however, have fantasies about walking with them in public places while they're dressed like sluts (Fuck-me pumps and mega-cleavage, thank you!) and fucking their brains out. Sorry, but that's my sex fantasy, and I'm sticking to it. You can keep your girl-next-door.

Continued on page 62

Tatiana's Titanic Tits!

Forgive me, editor Maria, for letting this cat (or pussy) out of the bag, but I have to give you guys a sneak preview of Tatiana, a totally fresh new chick from California. Now, obviously, she's stacked, but here's what else you might like to know:

1. She's only 4'10" tall, making her the definition of the phrase "short 'n' stacked."
2. She had never posed nude before, anywhere. EVER.
3. She's a college student.
4. She never wears a bra in real life. Can you imagine looking over in class and seeing a student with a pair of bra-less cans like Tatiana next to you?

More to come later. And to cum. Definitely lots to cum.

ALL GIRLS MUST FUCK?

There's this guy who writes to me all the time, and he's constantly hammering The SCORE Group for featuring girls who don't fuck on camera, as if I could make a girl have sex on camera (I wish I had that power). He says if a girl doesn't fuck, we shouldn't put her in the magazines. His reasoning is that if we take the hard line, the models will suddenly decide to fuck.

Now, I disagree with him, but what do you think? I mean, we're into the second decade of the third millenium. Isn't non-fucking a thing of the past?

And ultimatums? Ultimatums might have deprived us of Ashley Sage Ellison.

**FIELD OF
DREAMS**

Karina wins...by just a nipple!

In the past, we have usually called the winner of the Model of the Year halfway through the contest. That was not the case this year. The voting was so close that Karina won by a nipple!

In 2008, when Karina won the Newcomer of the Year award, it was by a landslide. But this year's Model of the Year award was not as easy a victory. Karina faced stiff competition from V-mag faves like Christy Marks, Natalie Fiore and Janet Jade. In the end, it came down to a handful of votes that propelled Ms. Hart to the top and secured her 2009 win. Readers voted with their Hart-ons and said that Karina's hotness swayed them. "Voting was hard because all of the girls in the running were really hot! But, I voted for Karina Hart because she always gives me a boner," said reader F.J. from New Jersey.

For some voters, Karina's first tit tug job scene in *Busty Riding Academy* sealed the deal and swayed their vote for this H-cup wonder. "I was all set to vote for Christy Marks because she does such hot XXX," said reader I.S. from Michigan. "But then I saw Karina in action and I had to vote for her. She may not fuck a cock with her succulent pussy, but just seeing her horny face and those tits getting fucked and then cummed on was amazing!"

And what does Karina have to say about her 2009 win? "I was so surprised! When I won Newcomer of the Year in 2008, it was so unexpected, but this is incredible! Just to be in a category with so many beautiful girls was an honor. I want to say thank you to everyone who voted for me. Making my fans happy and knowing that they are so turned on by my body is my favorite part of posing." It's obvious that Karina is well on her way to becoming a legend. Her back issues are soon-to-be collectibles so score your copies on page 9!

**Maria
Moore**

**JUST KEEPS
GETTING
BETTER**

Every time that we feature this plumper in V-mag, you cry out for more, more Moore!

Brunette plumper Maria Moore has that "it" factor that makes her the total package. Debuting in the Oct. '03 issue, Maria was an instant hit with fans who said she was all curves. It was those curves that propelled her to first-runner up in the Plumper of the Year contest and inspired this V-mag retrospective, too.

"Maria Moore has perfect tits, a great smile and she loves sex. You can't get better than that," writes P.O. from Canada. That's why she is one of the most-popular V-girls, ever. Readers love her big areolae. (Four inches in diameter!) That and recently starring in new movies like *Feed Her*, *Fuck Her* and *My Big Plump Wedding* (Available on page 9.) have elevated this stacked sweetheart to superstar status.

Maria has such a massive fan following that when she returned to the pages of V-mag in the Sept. '09 issue, after a three-year hiatus, readers went wild! Not only was she back with fuller tits and a noticeably curvier body, but she was also doing XXX and readers couldn't get enough of her nasty fucking and huge tatas being coated in cum. "No V-girl does XXX like Maria Moore does. You can tell that she is aroused and that she really likes to have sex. That's why if she's in a magazine or DVD, I'm buying it," says reader F. J. from New York.

SUPER SIZED RIDES:

Your favorite plumpers are back and they're fucking just for you. Samantha, Allysa Andrews, Sienna Hills, Crystal Clear and Nikki Cars all ride and get ridden. With their extra padding, these big girls aren't just able to take a

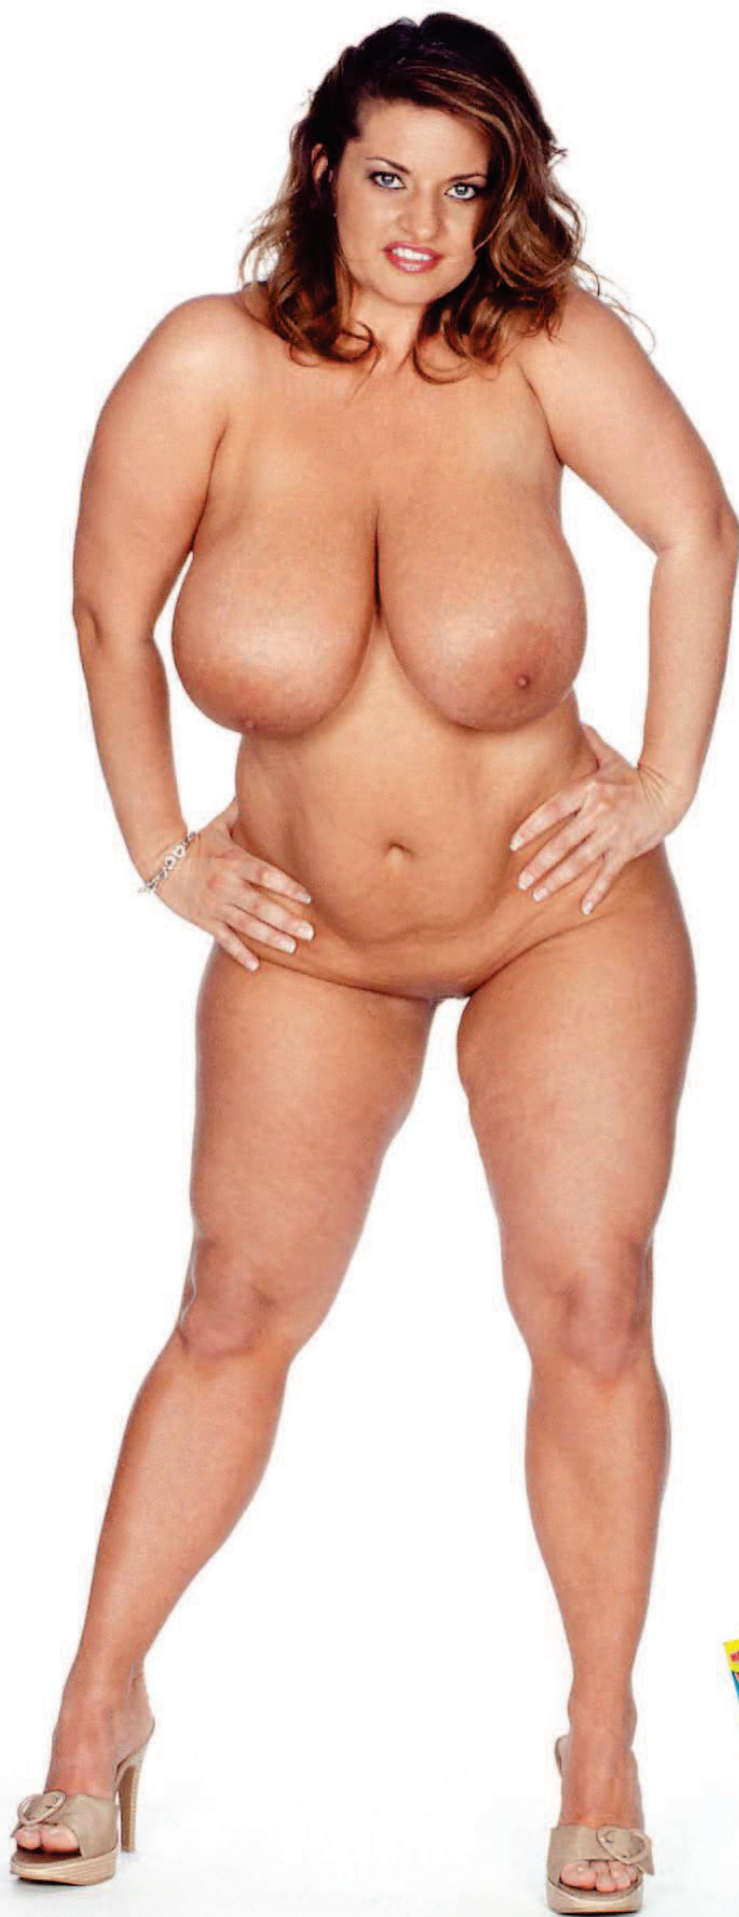

harder pounding...they expect it. *XL Girls* have the cushion to handle the roughest of rides and make their bouncy fuckfests a pleasurable journey. And just 'cause they're big doesn't mean these girls can't maneuver a cock with precision. They know exactly what to do and how to do it, whether they're getting screwed from on top, from below or from the side. When it comes to riding, bigger is way better!

Watch as Maria Moore does cunt-pounding XXX in this dick flick, too. Ms. Moore plays a horny housewife who needs man-seed and seduces the lawn guy with her huge rack.

He hoses down her tits, then hoses her down with his cum in the bedroom.

While she may not have swept the Plumper category, Maria Moore did get more lengthy letters and notes attached to her ballots than any other model. In fact, readers who didn't vote for her wrote in and apologized! "I cast my vote for Samantha because I have followed her career since she started modeling. But I wanted to say that Maria Moore should win. I am sorry that I didn't vote for her. Please let her know that she is still my favorite," wrote W.G. from Iowa. Don't apologize, buddy. Just shoot an extra-big load for Ms. Moore.

This sexy J-cupper learns the **HARD** way!

Renee's going to celebrate her first-runner up win by doing more XXX for all of her fans! "I really enjoy it and it allows me to play out different fantasies on camera. It's a great way to learn more ways to work a cock and the fans enjoy it, so it's a win-win."

**GOING ALL
THE WAY**

While most models are nervous about their first XXX scene, Renee was excited to go all the way for you. "Sex is very natural to me. I enjoy it to the fullest extent and I am not shy when it comes to getting freaky. I wasn't nervous about it, I was more horny than anything else."

Live to bang another day!

Christy may have lost out to Karina Hart for 2009's Model of the Year, but this H-cupper is not disappointed. "You lose some, you win some," she said. "And Karina is hot! I did girl-girl with her and it was fun! I'll keep on truckin' and fuckin' and hope for next year!"

Besides, Christy says she has a lot to be grateful for. "I am first-runner up! It's a great thing to place in this contest and I am flattered because the other girls were beautiful and so sexy. Janet Jade? Brandy Talore? I was in good company! And I won last year so I don't feel bad that someone else won this year. I have had a lot of fun regardless, making *Christy's Big Bang* and shooting videos for my website, ChristyMarks.com. It's been a great year for me and knowing that the fans voted for me is award enough for me."

With nine DVDs under her belt, Christy had become one of V-mag's top supermodels, a feat that she is grateful for. "I used to be this shy, awkward teen and now I have this amazing career and following. It is a dream come true for me to have made it this far. I'm so thankful."

TALKIN' TITS BLOG

Continued from page 28

R.N. also makes an interesting point when he says, "I prefer to see the beautiful girls masturbating with their fingers rather than with a dildo or vibrator because when a girl is using a sex toy, I can't see deep inside her pussy."

That's absolutely true, and it's the reason our photographers spend so much time making sure the plastic fuck toy doesn't completely obscure a girl's pussy (Or cunt, as Angela White and I prefer to call it; you'll know what I mean if you read on.) so we can see. The best way to do that is to make sure the girl's pussy is very lubed, make sure her juicy cunt lips are completely wrapped around the dildo (No innies.), then have her pull the toy to one side. Of course, R.N., you still won't be able to see deep inside her pussy, but it's still good.

One more thing. R.N. writes, "I prefer solo scenes rather than boy-girl scenes because I like to fantasize that the girls are doing it all just for me and talking dirty just to me as well."

I prefer that the girl opens the scene by masturbating, then a guy shows up and she hungrily sucks his cock and fucks him. The masturbation prelude sends the message to me that the girl is horny and needs cock. So, when the guy shows up, he's fulfilling her need.

But like I said, I don't need to fantasize that the girl is doing it all just for me. The fact that she's acting like a fuck slut gets me through the day.

"More letters," you say? Yes!

J.B. from Homestead, Florida writes (On real paper, a rarity nowadays.): "I'd like to reply to the commentary in the 'Talkin' Tits Blog' (Sept. '09) regarding the poll of Scoreland.com members that asked, 'If you could pick one video or pictorial of a Scoreland.com model, what would it be?' The author was shocked that only 18% of respondents chose option No. 1: A model with big boobs who will only show her boobs."

"Basically, I agree wholeheartedly with the author's sentiments. Not that I care so much what SCORE readers like but that I sincerely hope that V-Men and the editors of *Voluptuous* agree that featuring women with the largest all-natural breasts is V-Mag's *raison de existence*.

That is the only reason I subscribe to *Voluptuous*, and I'm completely uninterested in seeing a model's ass or pussy or reading about her personality, etc. My singleminded focus may be in the minority, but I figure it can't hurt to register my opinion. So there you have it.

"I'd also like you to know that my favorite model in the October '09 issue is Suga Squirtz, not because she sucks or fucks on the first date but because she has huge, fatty, veiny and stretch-marked boobs with big areolae."

Thanks for writing, J.B. First off, V-Mag's *raison de existence*, as you call it, has not changed one iota. Ashley Sage Ellison does not spread her pussy, but we welcomed her in V-Mag. Renee Ross did not have to show pink and fuck to get into V-Mag (although we're grateful that she did). She would have been a V-Mag star simply by showing her tits.

It's always important to remember that there's a big difference between V-Mag readers and Scoreland.com members. Website members tend to be more focused on hardcore (That's the nature of the anything-goes Internet.) scenes. V-Mag readers tend to be tit purists. Tits are everything to guys like us. I'm sure if we took the same poll among V-Mag readers, option No. 1 would have received many more votes. It might have even won.

I think, however, that you might be in the minority, J.B., by being "completely uninterested" in ass and pussy. When a superstar like Renee does it all, as she does in the new DVD *K-JUGS*, we've truly hit the big-tit jackpot.

Best of the Decade musings

I mentioned in a previous blog that Scoreland.com members were voting on the Top 100 big-boobed discoveries of the just-completed decade. The voting lasted 99 days (we eliminated one model a day), and in the end, Christy Marks edged out Karina Hart to win the title "Best of the Decade."

We learned a lot from the voting. Even though the final 100 contained a mix of *SCORE* and *Voluptuous* models, classic V-Girls have a wide advantage over slim 'n' stacked, often-augmented *SCORE* Girls. In fact, the first 12 girls eliminated all have enhanced breasts (Eliminated might be too negative a word here; hundreds of girls debuted in

Sapphire

The three-time champion has been dethroned but she's still horny and hot.

There can be no question that Sapphire is THE plumper of all plumpers. The plumper queen, if you will. This redheaded vixen is not only sporting impressive HH tits, but she has also won Plumper of the Year for 2006, 2007 and 2008, a feat never before accomplished by any other model. But her rack reign is over.

MY BIG PLUMP WEDDING:

Sapphire stars in this XL Girl Feature with an all-star cast that features Samantha 38G, Cassie Blanca and Rose Valentina. But the greatest thing about this skin flick is her scene with Maria Moore. In it, these ladies play busty bridesmaids who want to have a good time. Maria and Sapphire are such good friends that they go dildo shopping together and try out their toys on each other! They get their pussies warmed up for lezzie loving with a hot makeout session that includes plenty of tit-play. And as Maria plugs Sapphire with the toy, her husband walks in to find his wife stuffing her busty friend's twat, so he joins in. With these two massive racks in his face, he's the luckiest guy on earth. Maria attacks his cock with her mouth and then places it in Sapphire's ample cleavage. Maria's husband can't take it anymore and fucks his wife doggie-style while she buries her tongue and finger deep in Sapphire's cunt. Maria gets on top and rides away while her huge tits flop in Sapphire's face. When it's time to pop, the lucky guy glazes Maria's face and Sapphire's chest with nut-sauce.

But, this ginger would not go without a fight! Although Samantha 38G eventually toppled all the competition, Sapphire devotees gave a brave effort. Determined to see their favorite top-heavy carrot-top take the lead, they rocked the online vote, but alas, the mail-in ballots sealed the deal.

Like a true champion, Sapphire is not disappointed at being dethroned as Plumper of the Year. "I did *My Big Plump Wedding* with Samantha and Maria and they are both very sexy and deserve the win. I am glad that I was part of a great DVD and to have become friends with these beauties."

TALKIN' TITS BLOG

the two mags from 2000 to 2009, and just being in the Top 100 was an honor.).

More notable occurrences:

- No augmented model made it higher than No. 29 (Eva Notty, who doesn't fall into the mega-stacked, super-structure category).

- The best showing by a black 'n' stacked girl was Alexis Silver at No. 59. Black girls did not do well.

- Of the top 10 (in this order: Christy Marks, Karina Hart, Marilyn Sakova, Nicole Peters, Bea Flora, Natalie Fiore, Anna Song, Sharday, Ines Cudna, Angela White), only one has done full-fledged boy-girl (Christy) while another (Karina) has done a tits 'n' tugs scene.

- Every girl in the Top 10 is a V-Mag/SCORE crossover model.

The most surprising showing: In my opinion, Angelina Vallem at No. 18 and Anna Carlene at No. 20. Very impressive for two girls who have not made a lot of appearances in the magazine.

Most disappointing showings by V-Girls: Janet Jade at No. 62 and Ashley Sage Ellison at No. 61. I think most V-Men would argue that there aren't 60 girls in the world who are better than Janet Jade and Ashley.

The "Best of the Decade" confirmed what we already knew: that the age of the natural is well upon us. Perhaps the voting procedure was a bit confusing (Members were asked to vote for their least-favorite girl each day.), but in the end, the girls who we thought would be in the Top Four were in the Top Four: Christy, Karina, Marilyn and Nicole. Anybody going to argue with that (Other than Sharday fans.)?

Angela White (No. 10 for the decade) made an interesting comment on Christy's victory. She wrote, "It's usually the girls who stay away from hardcore that win competitions (*Voluptuous Model of the Year* in particular.) but Christy has changed all that. It's difficult to tell whether Scorelanders are becoming more accepting of their fantasy women getting fucked by other guys or whether Christy is just so damn hot and personable that they can forgive her for fucking other men. In any case, Christy has won the heart, cocks and cunts of all Scorelanders!"

Michelle May's second runner up victory for Newcomer of the Year is a bittersweet one. On one hand, we were happy to see this stacked newbie make it so far. On the other, she recently delivered some bad news to us.

Vmag 71

Sadly, gentlemen, the *Voluptuous* College Fund has claimed yet another busty wonder! This time, it's Michelle May who decided to pose for V-mag to pay her way through nursing school. She has since graduated and is done with adult modeling.

Like many of the great ones, Michelle wowed us with her amazing face and big-areolaed E-cups and then just like that, she was gone. We contacted her to let her know that she had taken second-runner up in the contest and while she was happy to have been recognized, she was adamant about retiring.

RIPE RACKS: Eleven girls, all-natural tits! If you love big tits shot from in-your-face angles, this is the DVD for you! Starring Michelle May as a stacked administrative assistant. You wouldn't mind waiting for an appointment if all secretaries looked like Michelle

May. She's a super-stacked blonde who's wearing a white, button-down top that her tits are absolutely destroying!

Michelle puts on a cleavage show (her breasts pour out of a red bra), and when the camera goes down below, we see that she's wearing sexy stockings and a garter belt. "It's okay. The door's closed," Michelle tells us as she bounces her tits into the camera, then takes them out and pinches her nipples. There's lots of boob play, then Michelle says, "I don't even wear panties to work." She plays with her pussy, leans over the desk and lets her tits hang down in our face. Michelle needs to cum, so she takes out a flesh-colored dildo and fucks her tits and pussy. We get a great overhead view of Michelle's jiggling tits and fuck-toy-filled pussy as she cums loudly.

She's ready to be all that she can be!

Victoria Lane was an inspiration to a lot of V-mag staffers. Not only did they nickname her Sugar Tits, they would also salute her and not just with their cocks, either. You see, Ms. Lane is not only stacked, but served as a soldier in Iraq, too.

They're the biggest tits in the business! Also starring Victoria Lane, Janet Jade, Anna Carlene, Dallas Dixon, Haydee Rodriguez, Alanna Ackerman & Terry Nova.

And in this raunchy DVD, Victoria plays a turned-on teacher who masturbates on her desk for your jacking pleasure. When asked about her scene in the movie, Victoria answered, "I actually work as a nurse so teaching a sex ed class is not really a fantasy because a lot of nurses also do instruction in that field. But I had a lot of fun doing this scene and I really got into it. Does it show?"

We think it shows. And we think you should show Victoria how much you appreciate the lesson by blasting off to her ripe jugs and amazing, wet pussy.

Victoria is originally from Kansas and now resides in Virginia and is what you would call an All-American girl. She enjoys shopping and making herself cum with toys. She also likes doing things outdoors, especially fooling around because the fresh air makes her frisky. And when she is not serving her country as a soldier, Victoria is a nurse here in the States. We are not sure what you might find hotter; the idea of this curvy cutie in a soldier's uniform or spilling out of a nurses' uniform. But one thing is for sure...you'll enjoy her when she is naked!

A photograph of a woman with large breasts and dark hair, posing nude. She is lying down with her head tilted back and eyes looking upwards. Her hands are positioned near her groin, holding a large, flesh-colored dildo. The background is a dark, textured surface with a red fabric draped over it.

Victoria beat out a lot of models to win second-runner up for 2009. A feat even she was amazed by. "I would have never thought that I would place because I was in a category with models like Karina and Natalie Fiore. I am stunned! Thank you for voting for me." Well, we think you're stunning, Victoria. Congratulations!

ONE READER CHIMES IN FROM ACROSS THE POND

Dear *Voluptuous*,

Voting in the 2009 awards was so hard. The newcomer category was the hardest. All 12 girls are wonderful. I love Jana in her hardcore scenes. Farrah Vancock looks like she has the most-gorgeous, soft black skin. Sophie Mae and Michelle May are both stunning. I thought Ashley Sage Ellison was the one, she has an awesome body and looks so sexy, but in the end, Renee Ross gets my vote. Her photo set in the February issue swung it for me. Her tits are amazing and she has such a lovely, shaven pussy and the centerfold has to be one of your best photos ever. It's absolutely amazing!

It's nice to see Skarlett nominated for model of the year, she is a very sexy girl. Natalie Fiore's new, bigger tits are great, too, but Karina Hart is easily the sexiest model to be featured in your magazine. She is so beautiful and has such a sexy smile. I love her wonderful, curvy body. I loved her tit-fuck scene in *Busty Riding Academy*. I would love to see her go all the way and fuck on camera. Please let's make it happen soon!

The sexiest of the plumpers was featured in the fantastic DVD, *My Big Plump Wedding*. Samantha and Sapphire have awesome bodies, but Maria Moore gets my vote. She has come back bigger and sexier and I loved seeing her sucking cock and getting fucked in the Sept. '09 issue.—Simon, England

MARIA: THE KIND OF GIRL YOU FUCK AND MARRY

Dear *Voluptuous*,

My vote for Newcomer of the Year is for Ashley Sage Ellison. She is wonderful, beautiful, sexy and a special girl. I totally love her with all my heart. I have all of her magazines and her movie and I think she is the best model. I love her nice, big tits. They are my favorites.

My vote for Model of the Year is for Victoria Lane. She's beautiful as well. I like that she is a nurse and that she is also attractive and down-to-earth. I also have all of her magazines, too.

For Plumper of the Year, there can only be one: Maria Moore. Maria Moore is amazing. She has beautiful eyes and a great smile. She is the kind of girl that

AMBER LEE AND JANET JADE HAVE KILLER CURVES

Dear *Voluptuous*,

Green-eyed redheads hold phenomenal allure in and of themselves that is why I love Amber Lee. She has curves in all the right places, not to mention a mouthwatering pussy that I could lick and kiss for hours. Please overexpose this lovely Brit in 2010.

Another model that I really like is Janet Jade. She has model-quality hair, sparkling and inviting eyes, a beautiful face, a picture-perfect voluptuous figure and lovely skin. I think that Janet Jade is perfect from head to toe. A real mocha wonder. —J.T. Bellevue, Washington

PREGGOS ARE PERFECT AND BIG TAILS ARE TOPS

Dear *Voluptuous*,

Recently I was looking at an old Aug. '04 SCORE issue and in it there was a girl named Krystal. She had great tits, a juicy pussy and a beautiful face. And there was this ass shot that was something else! I was wondering if you guys could have her pose in V-mag, too? Some other busty girls that I'd like to see in V-mag include Lexi Windsor, Goldie, and Loli all from the Nov. '07 issue. They made my cock hard.

I also love the pregnant girl's pictorials. Those pics of April McKenzie in the Oct. '09 issue are beauties. I just love those hard, swollen nips and full tits. Preggo girls have juicy pussies that are just waiting to be filled. I love when their nipples squirt milk. You should include some preggos squirting milk in upcoming pictorials. That would be delightful. Then when I saw the Nov. '09 issue of V-mag, I was overwhelmed by the preggo special. I just can't get enough of busty preggos.

I would say that the tribute to Tasty Tails in the July '09 issue is my favorite of all time. V-mag should bring back the Ass Shot of the Month. And more ass shot tributes would be great every three or four issues, too.

Also, please make the XXX Section removable, again. Other than that, keep up the good work and I hope to see the

CHRISTY MARKS: SETTING THE V-MAG STANDARD

Dear *Voluptuous*,

I wanted to send you my votes for the 2009 Awards. For Newcomer of the Year, I vote for Shyla Shy. Shyla has the best combination of big boobs and gorgeous face of all the newcomers. She looks so sweet and innocent, yet she does hardcore for us. That's a definite plus in my book.

For Model of the Year, I vote for Christy Marks. She is setting a new standard for all V-girls. She has great boobs, beautiful looks and really goes out of her way in all of her many hardcore performances. None other can compare to Ms. Marks.

For Plumper of the Year, I choose Maria Moore. This was a tough category and a very tough choice. In the end, I allowed my dick to make the call. I chose Maria Moore because she is the one I want to fuck the most.—D.S., Jacksonville, Texas

BIG TITS ARE ALWAYS A HIT

Dear *Voluptuous*,

I have always known that *Voluptuous* was the best big boob magazine around. Compared to all the others, you have the best women in your magazine. You guys always have the best boobs. Keep featuring big tits. The bigger, the better. I had to write in and say thank you for always finding the big-titted women that we men need.—R.I., Ontario, Canada.

ARGUING ABOUT FEET IN THE MAG...SERIOUSLY?

Dear *Voluptuous*,

I love your magazine. I think that you guys hit a home run every single time. I am a fan of slutty ladies with big tits and you guys at V-mag consistently bring exactly what I like to see and stroke my dick to. I can honestly say that I have no complaints because I like big tits and you guys bring me that. It's as easy as that. V-mag is kick ass!

So why would I take my time to write you this letter? Surely not just to tell you how great you are. Nope. I am writing to you because I bought the Jan. '10 issue and when I opened it, the first letter in V-mail was from someone chim-

ing in about feet. Or rather, writing in to tell you that he agrees with some other guy who wants to see more feet in the magazine. I had to read the letter twice because I just couldn't wrap my mind around the idea that people had wasted their time taking about feet in the greatest tit mag around. What the fuck? Are these guys really arguing about feet in the mag...seriously? Wow!

Here's what I have to say about that. I that the guys who need to see more feet are buying the wrong magazine. To me, V-mag is about tits. That's what I want to see when I open it. Never in the five years that I have been reading your magazine have I ever seen a pic of a hot, chesty model and been inspired to say, 'Shit! I wish I could see her feet,' or, 'If she had only taken her shoes, off...' Truth be told, when I see an amazing pair of tits, I don't think I have ever stopped to contemplate anything below the knee on a woman. Honestly, if a girl has a set of really spectacular sweater dumplings, I don't even care if she has feet. What real tit-man would?

I guess I'm not into feet, so the whole feet in a tit mag just doesn't compute to a tit guy like me. I just don't get it!

So, I would like to ask the V-mag editors to keep in consideration that the majority of us guys buy this magazine because we like tits and to remember that when you're working on the next issue. Tits are the theme of this magazine. The feet guys can keep on walkin' over to Leg Sex magazine, which is probably right up their alley. Thanks for letting me rant and keep doing a great job.-M.C., Baltimore, Maryland

MORE AWARD OPINIONS

Dear *Voluptuous*,

For Newcomer of the Year, I think that Dixie has a killer twinkle in her beauteous baby blues. Her dirty-blond locks are gorgeous and she has a sophisticated vibe that puts her solar systems beyond the other candidates. Oh yeah, awesome breasts, too!

For model of the year, Natalie's sophisticated beauty and joyous lust for life (and sex!) put her cosmos beyond the others. Oh yeah, fantastic breasts too like sweet juicy pink peaches!

As for the Plumper of the Year award, Sapphire's my girl. She is so beautiful, fun-loving and friendly. She's a darling and a dear and I think that she will be Queen of the Plumpers as long as she models!-B.A., via the Internet

Samantha

Samantha's Plumper of the Year! Watch her get speared!

Some plumpers have fans and some have legions of fans. Samantha is the latter. When she was nominated for Plumper of the Year, those legions of fans banded together to score this buxom blonde the win. Boy did they, toppling the three-year reign of champion Sapphire by hundreds of votes.

"Samantha is beyond hot. She exudes this sexy, cool confidence that makes me feel like she'd be an amazing lay. I want to see her XXX scene from *My Big Plump Wedding* as a stacked bride," says reader H.S. from Maine. Well, the wait's over, brother.

2009 was a very good year for Sam. She starred in *My Big Plump Wedding* and in an upcoming feature with Renee Ross. She also won 2009 Model of the Year for *XL Girls Magazine*. For Sam, who made her debut in the Holiday '01 issue of *V-mag*, this Plumper of the Year win was a long time coming.

Vmag 95

While plenty of our plumpers go on to do XXX, not all of them do it with as much gusto as this Southern Belle. "Watching Samantha fuck makes my cock spurt in seconds," said reader F.L., from Virginia. "Her body is padded in the right places and when she rides a cock, all the right parts jiggle. I'd love to cum on her soft belly and big, juicy titties," said S.A. from Nebraska. If you'd like to watch Samantha do what she does best, order your copy of *My Big Plump Wedding* on page 9!
